A **comprehensive [menu](#) of Mangrove Jacks** from Windermere covering all **16** courses and drinks can be found here on the food list. Mangroves restaurant in Airlie Beach offers a hit and miss dining experience according to recent reviews. While some customers have enjoyed dishes such as bangers and mash and wood-fired pizza, others have found the food inconsistent in quality. One customer was particularly vocal about the poor customer service they received, describing it as the worst they've encountered in Australia. Despite this, many patrons have praised the delicious wood-fired pizza and friendly staff at Mangroves. With a casual atmosphere and good wine selection, this restaurant seems to have potential if they can address some issues like soggy fries and rude staff members. Give Mangroves a chance for a tasty meal, especially if you're a fan of wood-fired pizza.
