Papa's Cafe is a popular spot known for their fresh treats and signature ricotta cheesecake. While some may find the wait a bit long due to understaffing, the delectable desserts make it worth it. The ricotta cheesecake stands out from the usual New York cheesecake with its special flavor and texture. Other sweet treats like cakes, biscuits, and pastries are also highly praised. The cafe also offers good coffees and savory options, although some items may not hit the mark. Overall, Papa's is a must-visit for those with a sweet tooth or anyone looking for a special dessert experience.
