A **comprehensive menu** of Cafe Bahloo from Portland covering all 21 menus and drinks can be found here on the card. Bahloo is a charming cafe that used to offer a wide variety of **vegetarian** and vegan options, although recent changes in ownership have limited the diversity of the menu. Despite this, the food remains delicious, with options like a vegan salad bowl. The cafe offers soya and breast milk, along with a limited selection of teas. Customers have praised the welcoming staff and the fantastic breakfast options, as well as the stunning views from the outdoor seating area. The food, such as the lamb burger and steak sandwich, is described as delicious and made with love. The coffee at Bahloo is faultless, with options like turmeric latte and chilli scrambled eggs, while the hot chocolate range has been recommended, particularly the coconut hot chocolate. The cafe's location overlooking the bay makes it a perfect stop for a meal after exploring the sights of Portland. The only area for improvement noted by some customers is the service, although it is understandable given the challenges of the past two years. Overall, Bahloo provides a delightful dining experience in a beautiful bayside setting.
