On this webpage, you can find the **complete menu** of **Ambrosia Cafe** from Berwick. Currently, there are **26** menus and drinks up for grabs. Ambrosia offers a fantastic ambiance, great service, and lovely table setting. The brunch dishes are huge, with perfectly poached eggs and amazing hollandaise sauce. While the bacon was a bit too oily and salty for some, the overall experience was positive. The restaurant is located in a small shopping strip, but don't be deterred by the exterior as the interior offers a quiet and private dining experience. The menu could use some updating in terms of descriptions and creativity, but the food quality and service more than make up for it. With a pleasant surprise in the share plate entrees and fantastic mains like mushroom pizza and gnocchi, Ambrosia provides great value. Customers keep returning for the great atmosphere and delicious food, with a quiet back area being a preferable seating option. Overall, despite varying past experiences, recent visits have left diners happy with the food and service. Whether trying the [vegetarian](#) pizza, lamb [pizza](#), beef cheek, or any other dish, guests leave satisfied and eager to return. Don't be deterred by the average review score, as Ambrosia stands out as one of the quality restaurants in the area.
